

orano **WE'RE HIRING!**

Nuclear is part of our future!

**Do you want to be part of a growing sector
working on complex nuclear challenges across the
lifecycle?**

Whether that's working with the nation's major clients to manage our nuclear legacy, or informing new designs and approaches that could influence the safety and sustainability of nuclear for generations to come, it's all part of what we do at Orano!

Based in three locations across the UK, near Oxford, Warrington and Whitehaven, we are always looking for talented, motivated and forward-thinking people to join our team! [Take a look at our current vacancies...](#)

Be part of tomorrow's energy!
